DETAILED ACTION

Information Disclosure Statement

In the 1449-form, the references crossed are not considered because a copy is not provided.

Specification

The disclosure is objected to because of the following informalities: In the abstract, the phrase "of vehicle 20 of the car 20" is redundant.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

Claims 1-6 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claims 1, 6, the phrase "extracting a second number of landmark identifiers from the first number of landmark identifiers" is unclear.

Also it is unclear how the vehicle detection means detects on the basis of locations of vehicles stored in the vehicle location storage means.

Claims 2-5, are also rejected for incorporating the deficiencies of their base claim.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
